FROM THE EAST.....

Dear Brothers and Ladies,

Can you smell spring in the air? The blooms are popping out, the birds are chirping and everything is getting busy with activity, why should it stop there? Now that spring has sprung. We are in the beginning of a long line of degrees. We have already had seven first degrees and several proficiencies and a third degree. We have plans for doing several seconds and a couple of first degrees. As in the old song "Spring is busting out all over" and I guess you could say so is our membership. Isn't that wonderful news! I sincerely hope that some of our long time members will find a way to join us for these degrees and welcome our new brothers into our fraternity.

The month of April will start out with our stated meeting and dinner on April 5th, the day after Easter. I wish you all a wonderful Easter Sunday with family and friends, good food and a time to relax. Our month then starts getting busy... We will be marching in the "Burbank on Parade" on Saturday, April 10th. The whole family of Freemasonry will be walking. Our lodge will be decked out in new shirts and giving away pens and Frisbees to the crowd. Come participate and join the fun. Our tribute to Public Schools will be held on a Tuesday night this year. The usual entertainment of the 3 levels of school children, award presentations to the "Teachers of the Year" and food will be April 27th. Since this is always a joint effort between the two lodges, Ian Sayer and Dave Bochard are working along with the brothers of Burbank Lodge to put together another great program. Your help is always wanted. I'm sure Warnock would appreciate anyone rolling up their sleeves and helping in the kitchen. The rest of the Monday meetings in April will be degrees: a Third degree on the 12th, two First degrees on the 19th and three Second degrees on the 26th.

With the new member taking an active part in the degrees and in the activities of the lodge our future is looking bright. With the new officers getting ready to move ahead in their degree work and the amount of degrees that we are doing our Line Officers should be qualified with our Inspector before the end of summer. It is quite a privilege to sit in the East and look out and see the faces of good men working together to become better men. I see fraternity and the brotherhood working, hand in hand, for the continued success of Freemasonry. I see dedicated Masons who are making a difference. It's a wonderful sight.

I wish you a happy and prosperous spring time. Enjoy the

feelings of hope and joy that comes with participating in nature's rebirth. As quoted by Virgil A. Kraft: "**Spring shows what God can do with a drab and dirty world.**"

Fraternally, John Wolcott, Worshipful Master
Dear Ladies and Brothers,
 As the year is flying by and I realized it's April already I was thinking about this beautiful time of year. The encyclopedia describes Spring as one of the four temperate seasons, the transition period between winter and summer. Spring and "springtime" refer to the season, and broadly to ideas of rebirth, renewal and regrowth. Well....I would describe it as fresh, fun, bright, cheerful, and wonderful plus every other positive expression you can think of. I just love this time of year. The flowers grow with spectacular color and their fragrance just floats in the air, the birds seem to chirp a little louder and people seem to smile so much more. There are a few more minutes of sunlight to spend with friends and we seem to give ourselves a little more time to relax. So my Springtime wish for everyone is please enjoy life and go ahead savor that delicious chocolate Easter Bunny! Love Always, Cindy Wolcott, aka "Madam Worshipful"
